Title: The Little Witch's Birthday

A crow brought an envelope to our tree house this morning. It was a gift from grandma, very thoughtful and heartwarming. She wrote, "Here are the remnants of my sorcerous hair, dear! Keep them all your life as a souvenir."

So I tried out my new magic spell.
I would protect grandma from feeling unwell.
"Hasta-hasta Bye! Bye! Hasta-hasta Bye!"
It didn't work. I didn't know why.

"Stop that ridiculous sound!" Mommy said.
"Thank grandma another ways instead!"
So I grabbed my broom after I made my bed.
I flew to her and delivered some nice warm bread!
